additional CM points for full-day meeting attendance have been applied for.

Georgia Local Section American Industrial Hygiene Association (AIHA)

The address for the Delta Training Center is 1021 N. Inner Loop Rd., Atlanta, GA 30354 (please note, however, that the location isn't accurate on Google Maps or Mapquest).

Directions:

The Delta Training Center is located off of I-85 about a mile north of the Atlanta Hartsfield-Jackson International Airport.

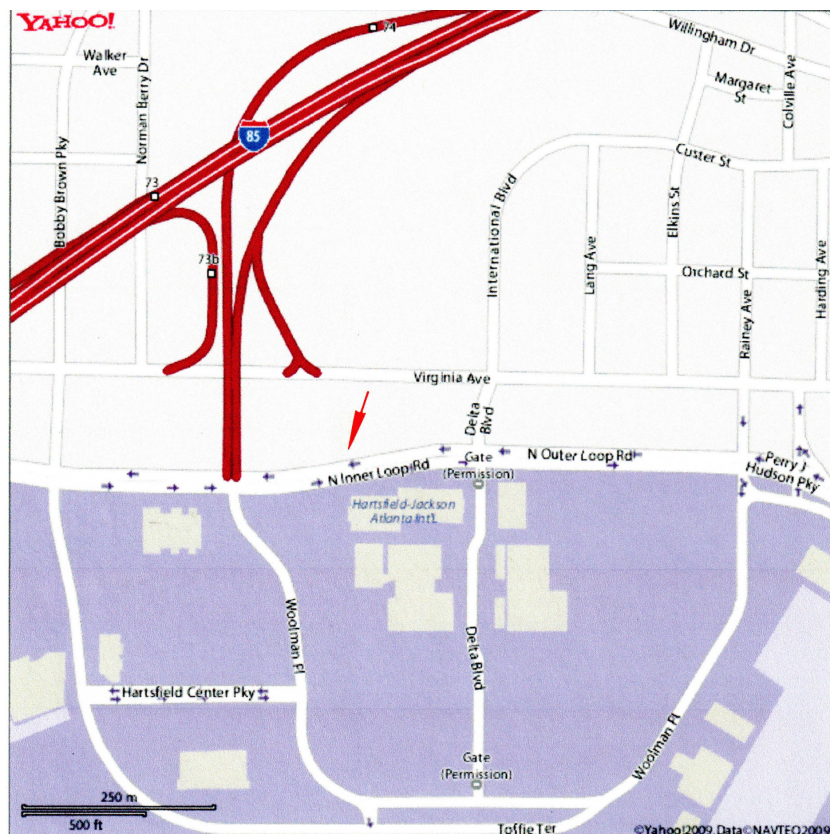

From I-85 South, take Exit 73 (Virginia Ave.) and turn LEFT (east).

From I-85 North, take Exit 73A (Virginia Ave. East) and veer RIGHT.

Proceed east on Virginia Ave. about 1/3 mile to the second traffic light (International Blvd, also called Delta Blvd). Turn RIGHT onto International Blvd and proceed one block south then turn RIGHT onto N. Outer Loop Rd.

Proceed about 600 feet to the first right into the Training Center entrance; turn RIGHT into the parking lot driveway. Stop at the guard gate and identify yourself as an AIHA meeting attendee. You will be directed where to park and how to access the auditorium in the southwest corner of the Training Center.

If you have pre-registered your name will be on a list and should get through the guard gate in less than a minute. For on-site registrants, someone from the Delta EHS group will be there to facilitate the sign-in process, which will probably take 2 – 3 minutes. So, you can save money AND time by pre-registering!

We look forward to seeing you there!
